

To the participants of ERNDIM schemes

Winterswijk, 29 August 2022

Dear colleague,

Starting from 1 September 2022 the MCA Laboratory will offer the possibility to purchase Archived Scheme Materials, in addition to the Control Materials and Educational Panel.

Archived Scheme Materials are EQA scheme materials from previous years (not of the running year). This web-shop is situated at the "General Information" part of [www.erndimqa.nl](http://www.erndimqa.nl). First click at General Information, then click at Web-shop, there you will find 3 buttons:

1. Control Materials, to be used for Internal Quality Control
2. Educational panel
3. Archived Scheme Materials, to be used for repeat analysis. You will find the quantity of sets remaining/available and the particular instructions per material and scheme year.

When you are on the desired page you can click at the order-button.

Please note: You will need a separate username/password for this web-shop. You can use the account which you already created for the Control Materials or create an account during the ordering process.

You have to be aware that when you order these materials this is invoiced by the MCA Laboratory and not by ERNDIM, so all orders and payments need to be made directly to MCA Laboratory.

If you have any questions please ask Irene de Graaf per email: [i.degraaf@skbwinterswijk.nl](mailto:i.degraaf@skbwinterswijk.nl)

Best regards,

Irene de Graaf  
MCA Laboratory  
On Monday/Tuesday/Thursday and Friday
