

Announcement

The 2024 SSIEM Academy Clinical and Laboratory Scientist course will be held in Amsterdam, the Netherlands, on the 22nd and 23rd April 2024

Programme

- ◆ The programme will feature a combination of joint clinical and laboratory scientist lectures and workshops
- ◆ The topic of the Academy will be:
 - ◆ **Neurometabolic and neurodegenerative disorders**
 - ◆ **Lysosomal storage disorders**
 - ◆ **Peroxisomal disorders**
 - ◆ **Purine and pyrimidine disorders**
 - ◆ **Trace element and metal disorders**

Applications

- ◆ Course application is now open, applications close at 23:59 GMT on Friday 10th November 2023. Applications should be submitted through the Training section of the SSIEM website (www.ssiem.org)
- ◆ As places are limited, if the courses are oversubscribed there may be a selection process and completion of the application form will not guarantee a place on the course.
- ◆ Successful applicants will be asked to submit an abstract for a short case presentation relating to the topics of the Academy when registering. Up to 10 trainee cases will be selected for presentation at the 2024 Academy.
- ◆ Accepted delegates will be contacted by 18 December 2023.
- ◆ Accepted delegates must pay a nominal registration fee (50 Euro for SSIEM members or 100 Euro for non SSIEM members) for the Academy. Academy registration includes:
 - ◆ Accommodation (including breakfast) for the nights of 21st and 22nd April 2024
 - ◆ Attendance of the course including lunches on the 22nd and 23rd April 2024
- ◆ There will also be an evening meal for all Academy attendees on the 22nd April 2024 (16 Euro fee).

Please note that participants will pay their own travel costs.
